Recommendation Letter

To Whom It May Concern:

I am writing these lines for **Dr. MOHAMAD KOSAE ALABDALH KANBR** who worked with us as an intern from Jazan University in KFCH in JAZAN, Saudi Arabia from (1/8/2025) to (31/8/2025).

Dr. MOHAMAD KOSAE ALABDALH KANBR is an enthusiastic young man who took keen interest in learning the ward routines and observed closely the process of evaluation, diagnosis and treatment of **Neurology** patients.

He displayed the ability of logical thinking critical analysis and applied this knowledge he obtained throughout history taking, physical examination and laboratory work-up to formulate a management plan. Also he is a well disciplined and punctual doctor who produces quality work output and finishes his assignment in the same time.

He works well in a team and is very supportive and helpful. As a person, **Dr. MOHAMAD KOSAE ALABDALH KANBR** is well mannered polite and soft spoken. He is very respectful to his seniors and get along well with his colleagues and He is also kind to the patients. So I wish for him all the best in his career planning and future endeavors. And I have no hesitation to support and recommend him for any training program either in KFCH or in other medical specialties.
